Subject: Vanderbilt Beach Pole Removal

We will start pole removal Monday, November 12, 2018. We will start on the north finger streets and then Bluebill and Vanderbilt Drive and work until it is done, five or six days. Next we will work on the south end (Vanderbilt Beach Road) and finish it. We will then work north on Vanderbilt Drive to Willet. This will leave the five washout streets and that section of Vanderbilt Drive.

Bluebill, Vanderbilt drive, and Vanderbilt Beach Road will be done at night (7:00 pm to 5:00 am) to limit issues with road closures and for safety of pedestrians.

If all goes well we will finish all but the washout areas by December 14.
