Vanderbilt Beach MSTU Public Meeting Regarding Replacing Landscaping in Right of Way on West Side of Vanderbilt Drive

The Vanderbilt Beach MSTU Advisory Committee will host a public information meeting for Vanderbilt Beach MSTU members on Thursday January 19, 5-7 p.m. at St. John the Evangelist Catholic Church, Pulte Family Life Center, 625 111th Avenue N, Naples FL to review proposed landscaping changes on the west side of Vanderbilt Drive. The meeting will be an open forum with various stations to allow individual questions and feedback.

The Municipal Service Taxing Unit (MSTU) Districts such as Vanderbilt Beach MSTU tax themselves to provide funds for items important to the community. The existing landscape on the west side of Vanderbilt Drive was installed by property owners around the year 2000 and maintenance responsibility was transferred to the Vanderbilt Beautification MSTU when it was formed in 2001. The landscape has suffered from age and at least two severe hurricanes and needs an overall rehabilitation. The purpose of the meeting is to inform the public as to the proposed plan, gain feedback from them, and allow finalization of the plans and scheduling of the project.

The Vanderbilt Beach Municipal Services Taxing Unit (MSTU) was formed in 2001 to provide funds for the beautification of the Vanderbilt Beach MSTU area. Since that time funds have been collected beautification projects have been accomplished and significant planning has been done to implement more projects. Projects completed:

- Utility Burial, with the exception of Vanderbilt Dr North of Bluebill which is close to completion.
- Widening of entrance to finger streets on west side of Vanderbilt Drive.
- Refurbishment of east end of Conner Park
- Refurbishment of area around lift station on North side of Bluebill
- Welcome signs and fence for Vanderbilt Beach Area
- Paver crosswalks at finger streets on Vanderbilt Drive
- Ongoing landscape maintenance of Vanderbilt Drive

For more information, contact Harry Sells, MSTU project manager, at 239-821-6909, and at email harrysells@Colliergov.net .
